The City Mission - giving a hand up, not just a hand out.

The City Mission is generously supported by the community with donations of clothing, furniture, books and

bric –a–brac. These, in turn, are sold through our mission shops assisting to raise revenue for the multi faceted services that the City Mission offers to families and individuals in need.

Proceeds are channeled

into the City Mission's work at Missiondale, our Drug and Alcohol Recovery facility, Family Services and also help to fund many of the organization's operational costs.

Many of the goods donated are not sold through the shops but are given directly to individuals who come to the City Mission for assistance. Through immigration, marriage breakdowns, family violence or just plain poverty, many people are left with little or no possessions, shelter or food. The City Mission is always there to give a hand up. You can support the work of City Mission in a number of ways.

By making purchases at any of our seven stores in Launceston, Devonport and Ulverstone you are contributing to the funding required to keep the City Mission running. Donations of re-usable items in good condition are always appreciated. Clothing bins are located at The Tailrace Complex, and at City Mission properties, Prospect and the City.

Larger items can be left at our Youngtown warehouse or you can arrange a Collection by phoning 6343 2115. Smaller items may be left at any of our shops during business hours.
